# OWNER BUILDER? WE'VE GOT YOUR BACK.

SPECIALIST BUILDING SURVEYORS  
FOR DOMESTIC CONSTRUCTION

Whether you're building your dream home, adding a granny flat, or resolving previous building issues, Obavic offers expert guidance to get you compliant and moving forward—fast.

We understand the challenges of navigating permits and building codes. Let us simplify the process with plain-English explanations and tailored advice.

## THE OBAVIC ADVANTAGE

### Specialist Owner Builder Surveyors

We work exclusively with domestic owner builders—our team knows the process inside out.

### Second Dwellings & Granny Flats

Get fast approvals and expert advice on small-scale developments.

### Alternative Construction Methods

Off-grid? Modular? No problem—we help you meet compliance.

### Unauthorised Works & Detached Permits

We'll help you rectify and legalise previous unapproved work.

### Plain English Guidance

No jargon—just clear, thorough explanations to help you comply confidently.
